-

This interactive workshop will provide participants with communication strategies to help improve the quality of life and personal independence of people who cannot see as well as they once did.

This workshop provides participants with:

- Appropriate techniques to communicate with a person with vision impairment
- A demonstration of correct and incorrect techniques
- A strategy to remember how to assist a person (the three A's)
- Basic safety tips
- The eating without vision experience
- Techniques for providing a better social experience
- Strategies to maximise use of any remaining vision
- Equipment to assist people who are blind or vision impaired

Content:

- Presentation
- Demonstration
- Role Play
- Practical Activity under blindfold

To secure your place on this course please print and complete the booking and payment form.
