This professional development workshop is designed to provide information, experiences and training for a range of staff who work with vision impaired or blind clients. Through a combination of interactive activities, discussion and presentation, you will experience the challenges associated with undertaking daily tasks that most of us take for granted.

The aim of this workshop is to provide participants with:

- The experience of undertaking daily tasks with impaired vision
- The opportunity to discuss how they felt when trying to carry out the tasks
- The opportunity to discuss the difficulties or challenges associated with the tasks
- Australian vision loss statistics
- An explanation of how vision is measured
- An explanation of terminology associated with blindness and vision loss
- Information about the common causes of vision loss

Content:

- Practical Activity under blindfold
- Group Discussion
- Presentation

To secure your place on this course please print and complete the booking and payment form.
