-

A practical, experiential workshop that is specifically designed for staff who have a high level of interaction with people who are blind or vision impaired, and who may have to safely guide them between locations.

This workshop provides participants with:

- Information about what to do when they meet a person with vision impairment
- The experience of being guided under blindfold
- The experience of guiding another person who is under blindfold
- The opportunity to discuss the difficulties or challenges associated with guiding a person with vision loss
- A practical demonstration of correct techniques for simple and safe sighted guiding

Content:

- Video segment
- Practical Activity
- Group Discussion
- Demonstration of techniques

To secure your place on this course please print and complete the booking and payment form.
